Facilitated Tours include.....

History Tours Visit Battlefields of the Zulu wars with a professional, registered Historian who will make the battles come alive options of Rorke's Drift and Isandlwana (Anglo-Zulu) or Blood River & Talana (Boer-Zulu) with a brief history of the Zulu Nation. **additional charges applicable for guide*

Natural Science covering a variety of bush skills, animal and track identification as well as Eco-trails providing insight to the importance of conservation of Bio-diversity (this is done on a neighbouring game reserve)

Geography this area has many interesting rock formations, a result of glacial flow dating back thousands of years. We cover orienteering, and general map work with evening Star gazing to find our way using the Stars.

Crafts & Culture Tours into Zululand visiting local craft projects which help to sustain the underprivileged people in the area, by producing export quality goods. Students get the chance to try their hand at some of these skills. Evening drum playing creates rhythmic harmony.

Adventure or Life Skills Hiking, Zip-lining, Rock Sliding, Obstacle Course, Survival skills and more...

Leadership and Team-building This focuses on identifying leaders in a group, building self confidence, working as a team, and enhancing emotional intelligence.

Mix 'n match select various items from our programme to cover various subjects all in one tour.
